

WAYS TO GIVE

GUN OWNERS OF CALIFORNIA, NON PROFIT

WHO

GUN OWNERS OF CALIFORNIA is the hardest hitting, most effective, toughest fighting pro-gun organization in the state of California.

WHAT

Do you know people who want to help - but they just aren't interested in coming to a meeting, hearing a speech or stuffing envelopes?

WHY

BECAUSE GUN OWNERS NEEDS YOUR HELP *and we want to network with you, your family and friends!*

HOW

Almost every one of us knows someone who wants to be involved, but they don't have the time or the inclination to do so. Maybe they are interested in charitable giving, but they don't know who or what to trust. And just maybe they are simply unaware of organizations like Gun Owners.

This is where you come in – to introduce Gun Owners to friends and family – especially those who might want some options as to how they can help with their wallets. We know people across the state are tapped out, but we also know there are people who are eager to give – whether it's a straight contribution or a donation (bequest) through a will or trust...they simply don't know where and how to do it! We can help with that.

We have not one, not two but THREE ways people can be involved

each one as important as the other, but with very different but necessary functions.

GUN OWNERS OF CALIFORNIA, INC.

Our staff is in the legislative halls fighting full-time for gun owner rights, opposing bad bills, supporting good ones, influencing the legislature every day, day in and day out. The united voice of GOC members has successfully defeated attempts by anti-gun groups to impose handgun bans and other restrictive measures designed to disarm our population. It's tough work in a hostile environment, but we are up for it.

People have the option of becoming a member for \$35 per year,

but we are also in need of support above and beyond memberships. We run a very tight ship with the money we raise, but we are stretched in many directions and can reach more people with more resources.

All funds - membership and otherwise - are used in California to fight anti-gun legislation. These monies support activities at the Capitol, plus basic operating expenses. Case in point: When he's not in Sacramento, Executive Director Sam Paredes travels from one end of the state to the other, most often at GOC's expense, giving speeches and conducting seminars on how to protect your rights under the Second Amendment! He gets things done.

There are no limits to any money given to Gun Owners, Inc., nor are there any reporting requirements.

As a 501(c)4, these donations are not tax deductible, however any business who contributes will be advertised on our website & newsletter and thus may be able to deduct their donations as advertising expenses.

Gifts/Donations can be submitted online at www.gunownersca.com

Checks can be made out to: "Gun Owners of California" or "GOC"

GUN OWNERS OF CALIFORNIA POLITICAL ACTION COMMITTEE

This is the exclusive political arm of Gun Owners, and funds raised for the campaign committee permit us to contribute directly into a campaign. We are scrupulous in our analysis and decision-making as to where these limited dollars would best be used.

Remember - more resources permit us to put more money where our mouth is in electing solid pro-gun candidates.

Contributions are not tax deductible, and we must report donor name, address and occupation for every \$99 and above received to the Fair Political Practices Commission.
The annual limit in giving to a "Committee" that contributes to state candidates per person/business entity is \$7,000.

Checks should be made out to "Gun Owners of California Campaign Committee" or "GOCCC".

GUN OWNERS FOUNDATION

While Gun Owners of California is fighting to defend gun rights in the halls of the Capitol in Sacramento, GOF has been defending the rights of gun owners in courtrooms all across the nation. Established in 1983, the Foundation exists in order to educate the public about the importance of the Second Amendment and to provide legal assistance for law-abiding individuals involved in firearms-related cases. In 2014 alone, GOF was active in more than two dozen major cases, and our attorneys filed briefs in eight cases before the U.S. Supreme Court. For a detailed list regarding the cases in which GOF has been involved, go to Gunowners.com.

The Foundation is a 501(c)(3) charitable organization, incorporated in the Commonwealth of Virginia.

Checks can be made out to "Gun Owners Foundation".
