

GUN OWNERS
of California

DO YOU WANT TO RESTORE THE SECOND AMENDMENT IN CALIFORNIA?

Even if you can't come to the Capitol 4 days a week, walk precincts and make phone calls in 5-10 election districts that are miles away from your home, or write friend of the court briefs to Appellate Courts and the U.S. Supreme Court on cases that affect the Second Amendment, you can still play a vital role and do more than you think. It's not hard and anyone can do it. It's as simple as dedicating \$10/month to restore your rights. That's less than the cost of half a box of ammo. That's it!

\$10 ×  = **CHANGE**

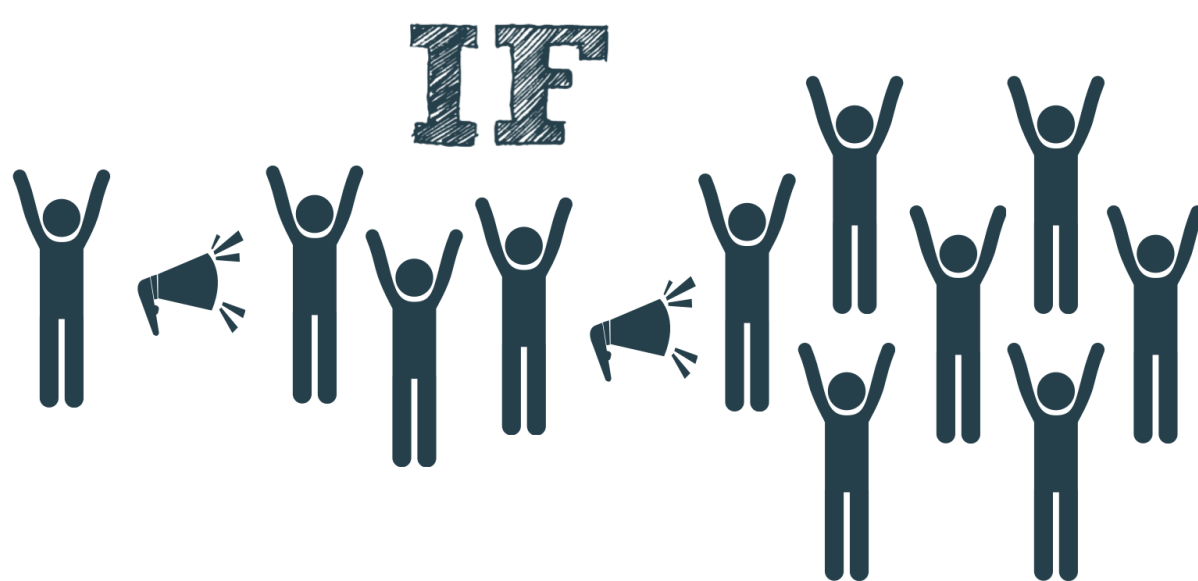

IF 500
people
give
\$10/Month

\$5,000 each month
\$60,000 each year

That would allow GOC to:

- be involved in more than 13 separate Senate and Assembly election races
- or fund 4-12 Friend of the Court Briefs written by the country's top constitutional attorneys
- spend even more time lobbying in the halls of the Capitol fighting to restore the Second Amendment in California
- have greater involvement in organizational partnerships like the Coalition for Civil Liberties
- or a combination of all these activities

AND

THEN

WHAT COULD YOUR \$10/MONTH ADD UP TO?

YOU give
\$10/month
Just \$120/year

&

You get 3 friends
to do the same

\$480/year
\$40/month

Your 3 friends tell
their 3 friends

\$1,560/year
13 people giving
\$10/month

Remember

\$10 =

- less than 1/2 box of ammo
- an extra drink out
- less than 2 meals at McDonald's

**YOUR INFLUENCE ON
THE SECOND AMENDMENT
CAN BE
HUGE**
