

BAD GUN BILL

ALERT

from Gun Owners of California

AB 1509

Assemblyman Lee (DEMOCRAT)

REDUCES PENALTIES FOR GUN CRIMES

**THIS BILL HELPS CRIMINALS AND IT HURTS
VICTIMS AND THE LAW ABIDING CITIZEN!**

This bill shows the gross insincerity of the gun control promoters regarding “gun violence” as it drastically reduces penalties imposed on the perpetrators of gun violence to a virtual slap on the wrist. This is outrageous!
